LENA & KATE

Hello, handsome.
Ready to watch us
play for you?
Because if I wait any
more, I'll burst.

Which do you love more?
These legs?
Or these breasts?

There's no need to decide.
We have it all. Too much
even for each other.
Mmmm . . . kiss me, Kate.
Lick me, Lena.
And then, we're doing *you* . . . .

Leggy wives

Cory & Mya

A best friend can know you better
than your own spouse.
Your wants. Your needs.
Where to touch you
when your husband is away.

What's black and white and red all over? Two erotic friends all over each other.

Passion builds. Juices flow. Black hair whipping in frenzy. Gentle tongues licking. Mouths biting. Kissing. Probing with fingers and toys. Steam pours from velvet underground. "Eat me until I come."

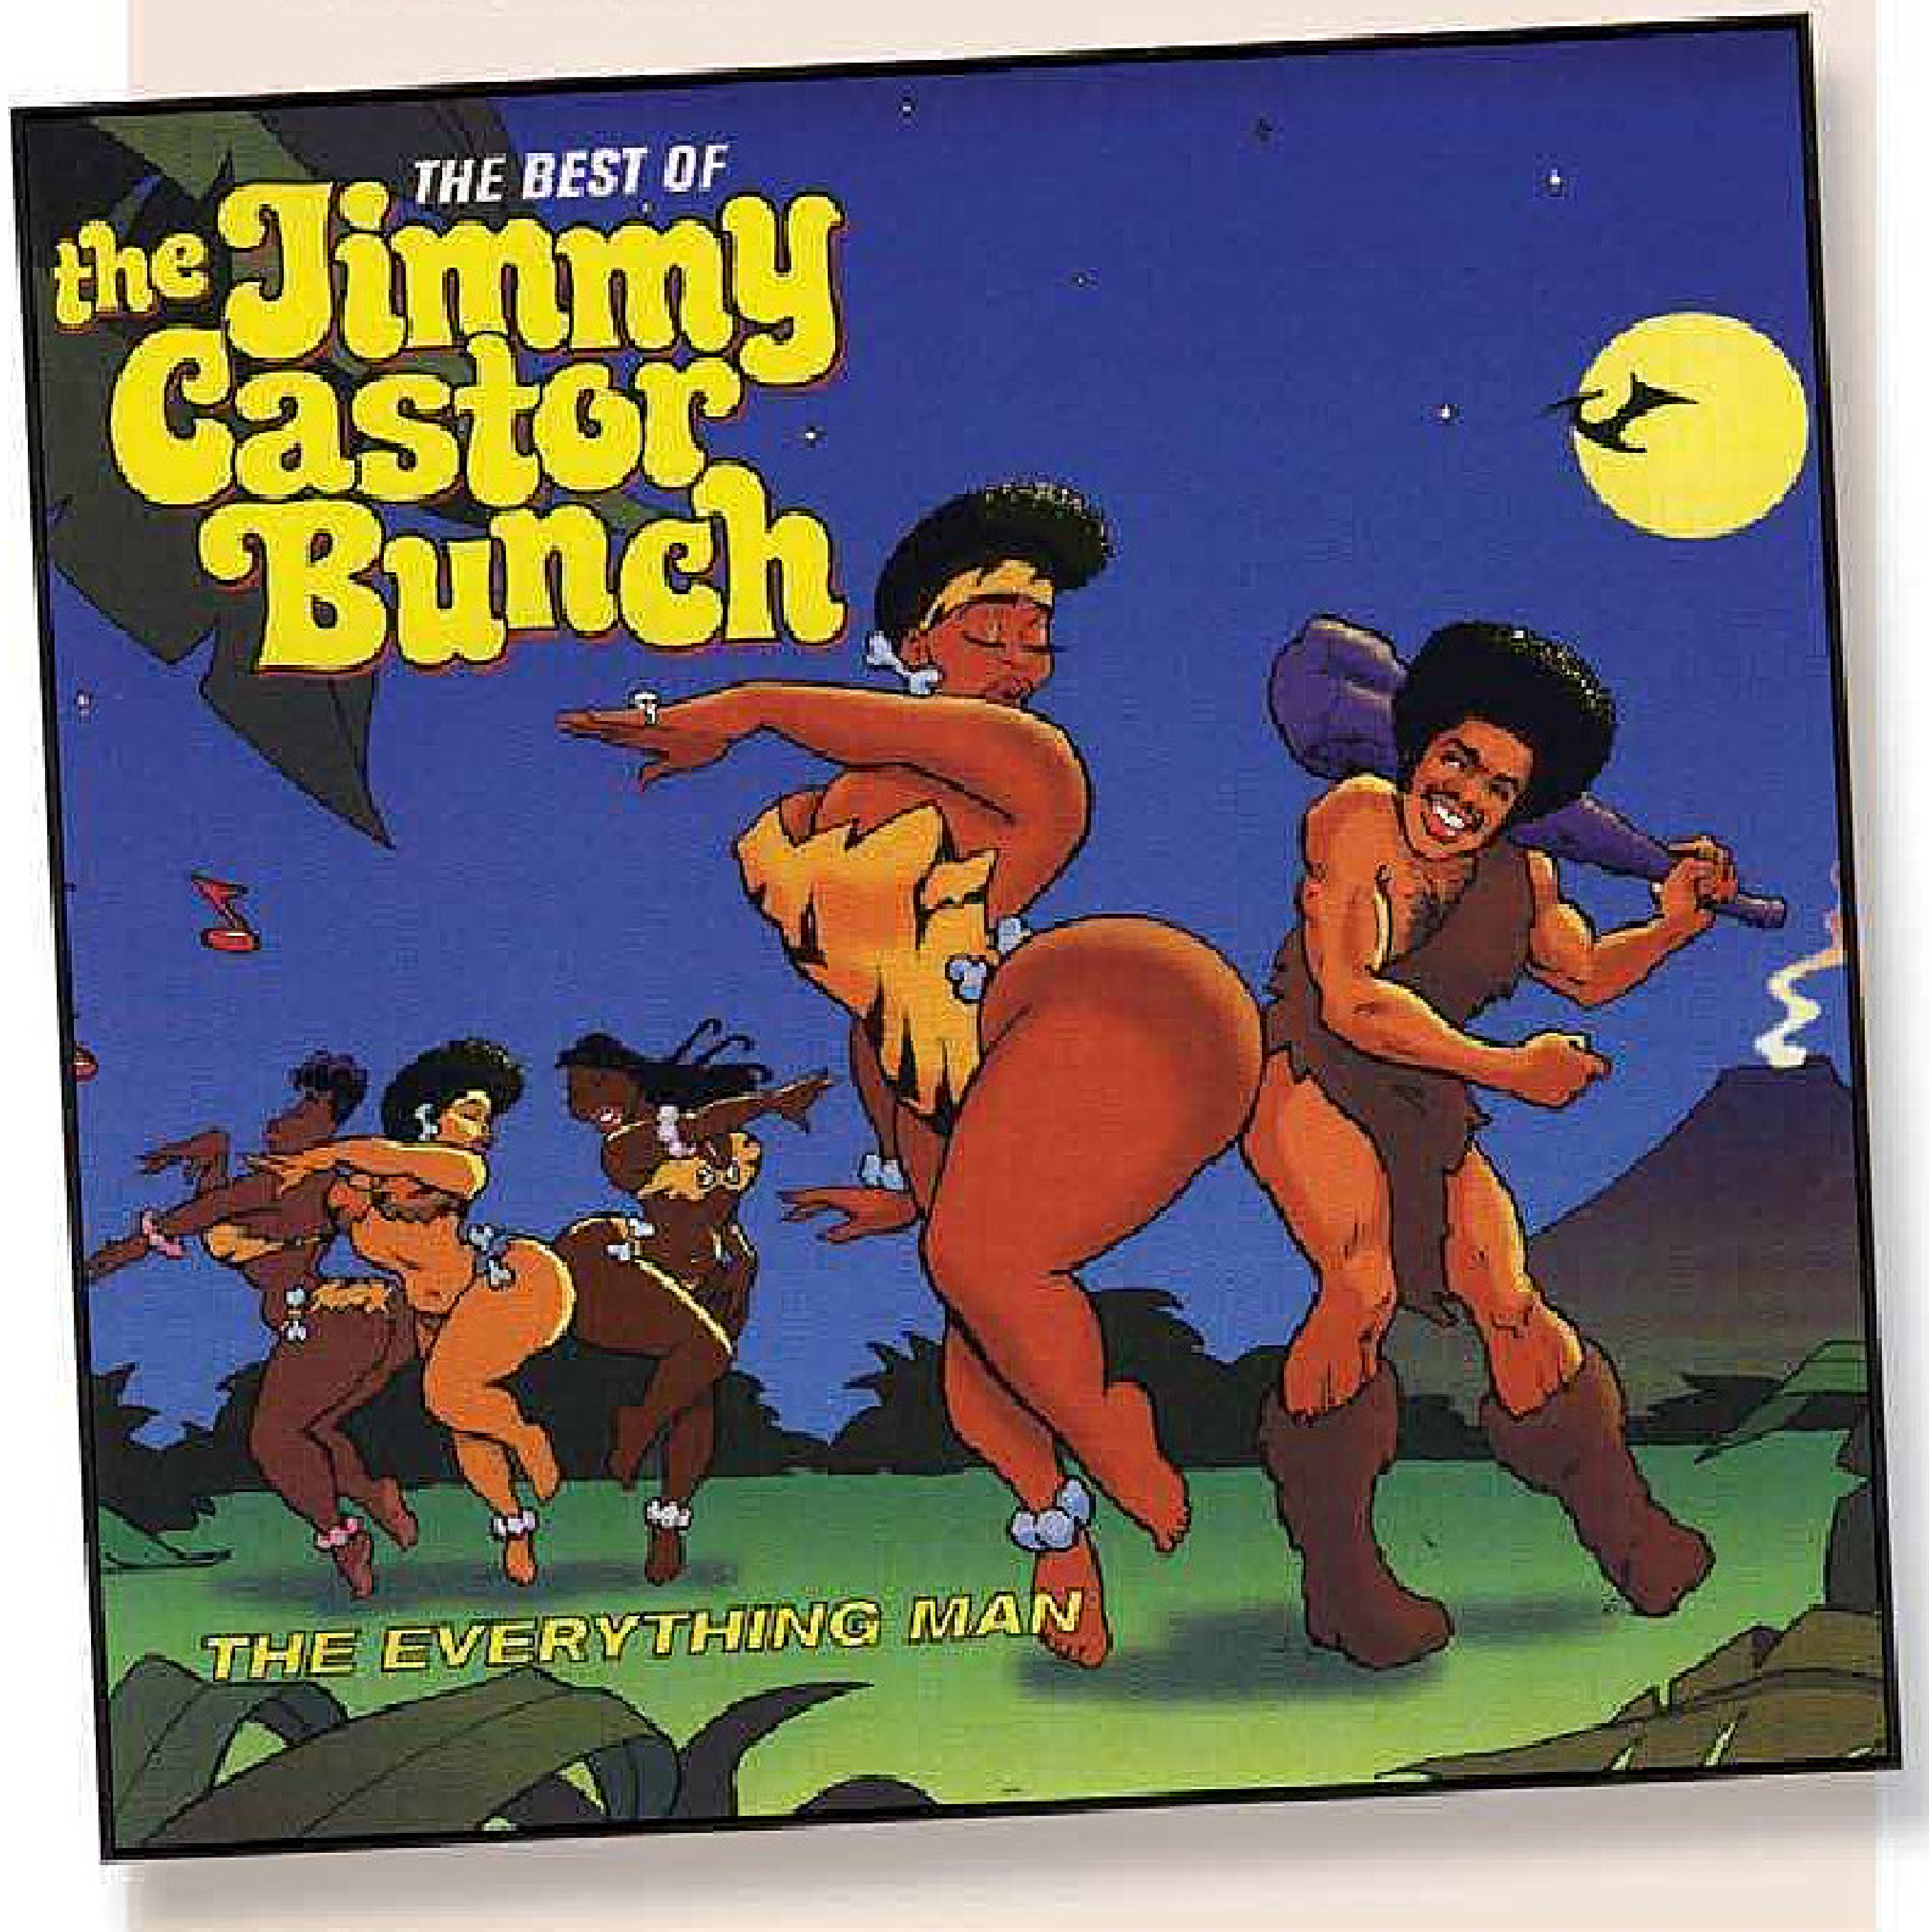
BLACK BOOTY IN HISTORY

BY JEREMY BENTHAM

Throughout the eons, the story of mankind has walked side by side with the story of womankind … and more than you'd know, history – and herstory – were shaped by women with shapely asses. Don't believe us? Then meet these women of fact and fiction, whose posteriors have gone down in posterity.

Bertha Butt

As the famed archaeologist Jimmy Castor revealed to the world in his 1974 song "The Bertha Butt Boogie - Part 1," the bootylicious cave-babe helped create the first civilization: "When Bertha got movin', her hips were hummin' in the wind / The ground started shakin' – no grass grew where she'd been!" Exactly. You have to clear away the brush before you can build houses, farms and cities. Forget that fossilized pretender Lucy – it's Bertha who's the true Ur-mother.



Cleopatra VII

Bet you didn't know there was more than one. The last and most famous of the seven queens of Ancient Egypt – then called Kemet – who bore this name, she came to the throne circa 52 B.C., at age 17. We all know how her seductions lured Marc Antony and the Roman Legions, but less known is an error in translating ancient hieroglyphics. Turns out she didn't have a great asp, but a great ass.

Nefertiti

A later queen of Ancient Egypt, the bride of Akhenaten broke the mold of her male-centered society by working closely with the king. Represented in more images than any other of her ilk, she, like King Tut, actually had a much longer name: Nefertitisandass.

Sarah Bartmann

An African native brought to Europe in the early 19th century, she became a high-society novelty known as "The Hottentot Venus," whose performance consisted of parading naked for audiences who came to see what one historian calls "her distinctive buttocks and genitalia." Yes, you guessed it – she was history's first big-booty stripper.

Harriet Tubman

The famed Civil War-era abolitionist and former slave helped untold numbers of men and women escape the inhuman cruelty of plantation slavery, through a network of safehouses that came to be known as the Underground Railroad. Few remember, however, that the Underground Railroad got its name from Harriet's terrific caboose.

Ma Rainey's Black Bottom

Decades before Bo Diddley wrote a song called "Bo Diddley," the turn-of-last-century singer Gertrude Malissa Nix Pridgett "Ma" Rainey, known as The Mother of the Blues, recorded the 1920s song "Ma Rainey's Black Bottom." In 1982, the Pulitzer Prize-winning African-American playwright August Wilson used that song's title for the title of one of his famed "Century Cycle" plays that chronicled the 20th-century black experience. All we can say is … Damn! Ma Rainey must have had one HELL of a black bottom!

Jackée Harry

A.k.a. just Jackée, the actress-comedienne is best known as the sassy and oh-so-bodacious Sandra Clark on the 1980s NBC sitcom "227" – for which she won both an Emmy Award AND got placed at #5 on "Maxim" magazine's Best TV Nympho list. The fiery fleshpot has since gone on VH1's "Celebrity Fit Club 2," where in 2005 she lost 39 pounds over 100 days – one of the top weight losses in the history of the show. That brought her down to 163 pounds – with still enough of it in her world-class ass that every ass man on Earth would want to do her 227 times.

Tyra Banks

The supermodel and creator-host of the perhaps not-so-accurately named " America's Next Top Model" is a megastar in the celebrity universe – a sort of less-intelligent Oprah. She's usually so carefully made up, lit and photographed that she looks like your generic drop-dead, "holy-fucking-mother-of-God-beautiful" black woman. But every now and then, you see a more candid shot of, from an angle she's got no right to be ashamed of, and BAM! Now there's a proud sister with a butt the size of Butte, Montana! She is, we have to say it, America's Next Top Booty.

the cowgirl we want doggy style

Sabrina King is the sort of Milf who exudes sexual potency from her every pore. You look at Sabrina down on her hands and knees...with the cowgirl hat, dazzling smile, and huge jugs hanging down and there's just no mystery about what this gal wants. She wants you to snuggle-up right behind her, yank her shorts down, put your cock in, and fuck away while spanking her beautiful ass and yelling, "Getty up cowgirl!"

sabrina king

That's what's so cool about Sabrina. There's no artifice or game-playing to her. She's a straight-forward Milf who tells it like it is...and, she tells me that she likes her men, "honest, hard, and willing to fuck me twenty hours out of the day." Well, Sabrina, I think there's quite a few guys out there who are going to be sending in applications for that position!

"The way you want me makes me totally horny!"

“I just love to fuck all the time man!”

the Adventures Of An Uber Nerd {Part 3- The Painted Milf}

A New Series Chronicling A Nerd's Rise To Sexual Stud Man to Ladies Over Forty

You guys may remember a few stories of this formerly pussy-starved, programming geek...that's right...me...a self-professed uber nerd. My troubles started when I couldn't get any female action while I was still in college. And, then when I did...I limped out with my sort-of girlfriend, and, the whole thing just sent my head spinning.

That's when I decided it was time to get creative: I did things like giving myself a swanky, make-over so I could Milf-troll at a local martini bar. That was a score. Then I weaseled my way into a Milf bridge game: another score. Well, what I found out recently is that it's not really necessary to always con your way into those sweet, Milf panties. No sir. And, it's not really primarily important to be at the right place at the right time...though, that does help.

But, what really matters...just like those babbling psychologists are always saying...is to be prepared when opportunity presents itself. And, now that my big ole cock had satisfied a couple of Milf love holes...oh, yes sir...I'm ready for any Milf who crosses my path. I'm now getting unexpected pussy!

See, the other day...it was a Saturday afternoon, and, I was driving back from an out-of-town programming conference. I had spent the last couple days wrapping my intellect around new and controversial techniques to debug PHP 5. My mind felt like it had been deprived of water and dragged through a desert! I was tired!

The summer sun was blasting through my windshield and my air conditioner was broken. I was passing a large wooded area when I noticed

a sign that said: Paintball Tournament Today! Now, in my former, pre-Milf-pussy life; I would have just cruised on by. But, like I said...my newfound confidence was infectious...it had saturated every aspect of my psychology! So, I pulled into the parking lot, walked into the office, and greeted a redhead in her forties with her tits bulging out of her tank top! Oh, good Lord...things are off to a good start!

She told me that a tournament was in progress, and, she gave me a blue shirt to wear and a paintball rife that fired blue paint pellets. I was now a proud member of the blue team, and, in my nerdy fantasy, I pictured myself as a computer-programming John Rambo as I ran into the woods. The summer air filled my nostrils, and, I was feeling better already. I saw a clump of bushes ahead, and, full-speed, I dove into them like a football player leaping into the defensive line.

Ah, shit! A branch jabbed me right in the crotch...it really poked my nerdy ball sack! Ahhhh! I tried to force the pain out of my mind. After all, this was combat! I was at war! Pain goes hand-in-hand with war! If this were 'Nam, you can bet I wouldn't let an injured ball sack slow me down. I peeked through the bushes and saw my comrades ahead. One team had on blue shirts like me, and, my enemies had on red shirts. They were stalking each other, and, suddenly there was a skirmish and I saw my blue comrades taking heavy hits.

It was my duty to come to their assistance. I forced myself to my feet, and, I started hobble-running towards the combat action. Christ, my balls hurt! I had taken about ten limping steps when there was a scream over my head...and, then a heavy weight on my back...and, my body and face got smashed into the ground! What the fuck had happened! I rolled over...and...and...there was a blond Milf on top of me in a tight red teeshirt. Even in my pain and confusion...those huge tits captivated my mind. The blond Milf had been hiding in the branches of a tree and she ambushed me! This was some serious paintball guys!

And, now her knee was pushing into my crotch!

"Aaaaaaaaah!" I screamed. "My cock's already injured."

"I don't believe you," she said. "The enemy will tell any lie to escape."

"What the fuck kind of paintball is this?" I asked.

She was silent: her rifle pointing at my face. I surveyed her blond hair which hung past her huge tits. She was leaning into me, and, I got an upshirt view of her deep and marvelous cleavage: like a crevice of the Grand Canyon. I wanted to put my face in there and

never come out.

"On your feet," she said. "I'm walking you to the prisoner camp for interrogation."

I tried standing, but, I just as quickly toppled like a house of cards in the wind.

"Where are your injuries?" she asked.

"It's my cock," I said. "First a tree branch jabbed my balls...and, then you jammed your knee right into my dick! Not to mention how you nearly broke my back when you dove on me from a tree!"

"Remove your pants prisoner," she said. "If you're lying, I'll shoot you in your handsome face."

Holy shit. She said my face was handsome. Funny how one little compliment allowed me to forget the bizarreness of the situation and how she had just brutalized me! I pulled my pants down, and, with a scientific coldness, she put her hand on my cock. She got down on her knees to get a close look.

"I see some bruising around the testicles and thigh...with some minor injury to the penile shaft," she said.

And, I'm not going to lie...I felt my injured funstick getting a little tingly. I glanced down again at her awesome cleavage.

"I'll need to perform some first aid," she said.

She opened her backpack and removed a small cooler. She took some ice cubes out and held them against my rod. The ice slipped out of her hand.

"We'll need a different technique," she said.

She popped a few ice cubes into her mouth, and, then she inserted my stiffening love rod in her mouth. The sensation of her mouth's heat and the ice was delightfully maddening.

"Oooooooooooooh!" I moaned.

She just continued sucking away. My cum rocket was now fully engaged, and, I thought about reaching down to squeeze those watermelon tits...but, I held off. When the ice was fully melted, she let my member pop out of her mouth.

"Try walking now," she ordered. "I'm getting you back to camp one way or another!"

Now I had an idea. I took two steps and then purposefully fell on my face. She came nearby and pulled a blanket from her backpack which she spread on the ground.

"The injured area's going to need a hot compress," she said.

"Who has a hot compress?" I asked.

"Me," she said, pulling her pants off. She had on a camouflage thong which she pulled to the side. She pushed me onto my back, and, in a blink she mounted my cock!

"How's the temperature on the injured area?" she asked.

"A little hotter please," I said.

And, with that she started riding me like a crazed cowgirl on top of a bucking bronco. Her double D tits were obviously natural. How do I know? They were flopping around like balls of jello underneath that red shirt! I reached up to grab those fun bags but she slapped my hand away. Instead, she started moaning...and loudly! Like a pregnant lady giving birth I'd say. And, then to my dismay, she let my woody flop out of her hotness.

"There's a certain amount of collateral noise needed for this first aid," she said. "We must safeguard our position from enemy fire with further camouflage."

And, at that she pulled green, black, and brown paint tubes out of her bag; and, she proceeded to smear the paint all over my chest, back, arms, and legs.

"I'll need you to apply the camo to me," she said.

Oh, eureaka! Finally! I squeezed big paint gobs out and where do you think I went first? That's right. I put my paint-filled hands around those massive Milf tits! Then I smeared the paint over her blond pussy bush. And, without a word, she was back on my cock like a kid on a beloved pogo stick! I figured it was time I started talking a bit.

"Oh, fuck me! Fuck me! You God damn gorgeous Milf! I love your pussy!" I yelled.

"This is necessary first aid," she moaned, her ass furiously slapping my thighs as she continued riding up and down.

Wow, she was moaning now like an inmate at the lunatic asylum. Then she started getting into the playful Milf talk.

"Oh, pound my Milf pussy with your big, young cock," she moaned.

I looked at her painted tits flopping around as she rode me. I grabbed them and flipped her over to her back. I pivoted between her legs on my knees and plunged my pleasure stick into her cavern.

"Ooooooooh, that's it baby," she yelled.

Then, I started really bucking, and, I was mesmerized by the way her breasts furiously bounced around. And, now she was actually screaming. Here I was making a Milf scream in the woods beneath this hot, burning sun!

Then I started screaming. But, in pain! I had a sting-

ing pain in my arms, chest and belly. I looked down to see red paint spatters. What the fuck! I looked away from the Milf's tits to my right, and, I saw a tall, red-haired Milf in a red teeshirt aiming a rifle at me.

"Disengage from our comrade Julia!" she ordered.

The Milf beneath me looked at her and said, "Hillary, you dumb twat. He's fucking me! I want him to fuck me! Get in line and wait your turn!"

Hillary smiled and she got behind me and started massaging my shoulders as I bucked Julia. Oh, so Julia was her name! There's nothing like fucking a smoking-hot, blond-haired Milf for thirty minutes before even learning her name! As my cock made slurping noises going in and out of this Milf's twat, I thought to myself that I may not be such an uber nerd anymore. I squeezed Julia's tits and fucked as Hillary massaged my chest and back...and, you know what? My cock didn't hurt so much anymore.

"Wonderful first aid Julia," I said. "Now, keep fucking me Milf lady!"

I guess this dirty talk got Hillary hot because she pushed me off Julia. Hillary flopped down and spread her legs wide. Oh, good Lord. A red pussy hair bush for the taking. What's an uber nerd to do but insert his dong into that crimson heaven? And, that's what I did. Julia stood over top of Hillary and ground her well-used pussy into my mouth. Oh, you know I was about ready to pop. All that fine Milf pussy...a guy can only take so much.

"I'm going to explode!" I yelled.

And, these two Milfs madly scrambled so they were both on the blanket beneath my dick which suddenly seemed like a magic wand hovering above their heads. All of the action had really built an insane torrent in my loins, and, my cum rocket fired. First I splattered Julia's face. Next I pointed it at Hillary and covered her tits. Then I slapped my tool against Julia's big tits. Oh, it was glorious. We fooled around some more, and, when I finally left I passed the lady at the front desk. She had a filthy smile on her face.

"You have fun today hon?" she asked.

"I got more than I bargained for," I said, smiling.

"It was the annual Paintball Battle of the Housewives," she said. "I made an exception in letting you enter; but, I thought the girls might appreciate that."

"They're not the only ones!" I said.

FROM OUR READERS

daryl

Dear 40+,

It's really uncharacteristic of me to write into a mens' magazine. But, I've got two words for you: Lake Russell. When I see a dark-haired beauty pulling a leopard print bikini to the side...exposing a delectable pussy for the world to see...while, those cute little nipples are standing at attention...well, that's enough to put some permanent pep in my step if you know what I mean!

I had to write because I know Lake will see this! Lake, I love you! I want to hop right into your leopard bikini pictorial. I want to push my face right against your bikini bottom. First, of course, I'd kiss your lovely mouth and play with your hair and knead your perfect ass like pizza dough! Oh, I'm sorry Lake for getting a little crazy; but, a Milf like you just doesn't come along very often Lake!

I'm a wealthy bachelor living in rural Washington State. I made a fortune off of computer software development, and, I'm looking for a Milf just like Russell Lake to keep my cock warm during mean winter nights. Lake, will you be mine?

William D.
Concrete, Washington

Well, Billy D., there's a long line of swinging guys asking Lake to be theirs...but, you do seem to be a happening bachelor. And, you do have the whole pizza dough technique going for you. ed.

Listen up 40+,

Listen, get Daryll Hannah over to my house. Right now! Okay, lol...I'm kidding. But, to the creators of 40+, I've got to tell you that what you're doing to my cock just isn't right! I mean...seriously...a woman like Daryll Hannah...a blond, pretty baby constructed like a brick shithouse...well, you put pictures of that woman in front of a virile stud like myself and there's going to be a reaction: like me having a permanent ten inch erection in my parachute pants man!

Daryll looks just like how a woman's supposed to look. I love how she's a sexy, slender woman and still has an ass that's all that plus a bag of chips and a Snickers bar! Oh, Daryll...it might not be subtle or tactful...but, I love your ass! I love your fucking ass Daryll! I just want to put you on your belly flat on my waterbed and mount you and just start pumping away. Believe me, Daryll, you'd love it and have multiple orgasms...and, you'd might even want to marry me. If only I can have a chance to prove myself. Please let me prove myself!

Tommy E.
Yarmouth, Massachusetts

Tommy, I think Daryll's ass is all that plus a bag of chips, Snickers, and Tasty Cake! Huh? What do you think of that Tommy? Huh...top that man! ed.

40+ Magazine,

I have to tell you guys about that chick Houston. Oh, Houston...all I want to really ask you is if I can squeeze your tits for a few days? Look, I'm not just saying that because I'm locked up in the joint on a seven year bid for some bullshit that I didn't do! Houston, please believe that there are innocent men in prison! I'm one of them. Anyway, I traded one of the prisoners a pack of Marlboros for a copy of 40+, and, that's when I fell in love with you...you Goddess!

See, Houston, I was a stock broker and they got me for some alleged insider trading. When I get out, which will be in two months, I still got my estate and fortune and Mercedes waiting for me. And, Houston, I want you in that Mercedes next to me. I want to drive through this upper crust neighborhood in Maine with you sitting by my side. Of course, I'll be squeezing your tits and enormous nipples the whole time. The tingle on your nipples will get your horny pussy wet, and, your head will slide down as you start sucking my massive member. At the stop light, I'll explode in your mouth, and, we'll go to a bistro for some wine and escargot.

Houston, please wait for me baby.

Jerry A.
Windham, Maine

Jerry, you sure seem to appreciate Houston's tits. I was wondering, though...you got any stock tips for me big boy? ed.

lake russell

Dear Jordan,

Hi, my name is Jeff from San Antonio Texas. When I first pick up my first issue of 40+, I saw your huge, beautiful tits...and, I marveled at how enormous your nipples were...they are the size of God damn coffee saucers. I laid on my bed and got the lotion out and put it all over my big cock. I lay jacking off to your hot photos...wishing I was licking your sweet, hot, pink pussy.

I love the way you spread your pussy lips apart. Your pussy looks so juicy and I want to suck it and have you cum in my mouth. And, I want you to suck my big, hot cock. And, I want to suck your tits all day. I would love to spread your legs wide open and suck your hot, pink pussy all day until you came in my mouth four or five times. My dream is to make sweet, passionate love to you all day and night.

I'd love to have you suck my cock while I lick your toes, your pussy, your tits, and your asshole. Do you like your asshole licked? I have a strong feeling you do. Then I'd have you slowly ride my cock. I would shove it in you until I hit your G-spot. Right now as I write to you I have my big, fat, white, hard cock in my hand jacking off to your photos. Uhhhhhhhhhh! I just came all over your face Jordan! Did you like that? You've got a wide load of my jism in your mouth right now you beautiful baby. Slurp it up.

Oh, baby, I love you. Are you ready for doggy style. Okay, on your knees. Do you like that?

Jeff
San Antonio, Texas

All right, Jeff, you've got it all planned-out in detail. But, don't hurt yourself now old boy. .ed

Mall of America's Next Top Model

By Elliot Forbes

Haley had never been so nervous. Sure, she had been a college beauty queen, a regular 1990s Marcia Brady. But that was a dozen years ago. Now she was married, with a child of her own in third grade and another one in kindergarten, and being the best-looking mom in a Minnesota play-group was hardly the kind of confidence-booster she needed to pull off something like this.

Haley took a deep breath. Involuntarily, she glanced down at the rise of her heaving breasts, which had grown larger and somehow even firmer and shapelier after having had children. The low-cut evening gown by Denholm, one of the local designers, glistened and caught the backstage lights as the fabric stretched tautly across her straining bust, erect nipples hard as diamonds from her nervousness. A bead of sweat dropped into the deep, deep line of her cavernous cleavage.

It was time. She was ready. Lifting her head, Haley stepped through the curtain and onto the runway in the middle of the mall, and let her instincts take over. With practiced movements, learned in rehearsal and from hours of watching reality-TV modeling shows and The Fashion Network, Haley Meadows strode purposefully to the end as flashlights bloomed like flowers and cameras snapped like crickets. A chorus of gasps ran through the audience like a wave, and as she hit the runway's end, bobbed her head like a racehorse, shifted her stance, bobbed again and then swiveled around and strode back, the gathered crowd burst into applause. She'd done it. She still had it. Haley had marched out there in Denholm's design, her endless legs striding with confidence and glamour, and the audience couldn't believe that she was just one of them. None of the other wives or bachelorettes that the mall had recruited as models for this show of statewide designers had gotten more than polite clapping or murmurs of approvals. But Haley! Haley had rocked the house down! The audience of local media outlets, civic leaders, businesspeople and well-heeled shoppers had erupted in crazy applause that was still roaring, punctuated by whistles and cheers, as Haley slipped backstage, suddenly realizing she hadn't taken a breath that whole time.

Now Haley had to rush and change into her next outfit. But for a moment, standing before a full-length mirror, seeing herself as if for the first time, as if she were another person catching her first glimpse of Haley Meadows, Haley was stunned. She was gorgeous! She was beyond gorgeous – she glowed with some inner light. Thirty-one years old, dressed to the nines in an expertly cut, figure-hugging gown, with one long leg extended, Haley was practically giving off steam.

Quickly glancing around to make sure no one was looking, she rubbed one hand in circles around her left beast. She couldn't believe how beautiful she looked – how less like a married woman with two kids than like the prom queen and Cancun wet t-shirt contest winner she had been before, once upon a time.

Married with two kids, she mused, feeling her nipple somehow protrude even further, tweaking it between two fingers. Her husband owned his own mechanics garage. Haley sold real estate, took care of the kids, and volunteered for things like this. And as this seemingly happy housewife touched and rubbed her full, firm, D-cup breast, unseen among a bevy of bustling people, Haley wanted to cry for the lust and passion and adventure she had somehow missed out on, on the way from the prom to here. What had happened to her? How had this hot, steamy creature wound up here?

Haley was horny. There was no other way to describe it. Her husband was out of town, her sister was watching the kids, and Haley knew she was going to do something bad. She was going to find some lucky bastard and strip for him, show off for him, get him hot and explosive and ready to burst – and then she was going to fuck her brains out, fuck a stranger like some wanton woman, fuck and fuck and fuck herself to orgasms that would wash away, even if just for a while, whatever regret she had for the road not taken. She was going to wrap her legs around some hard man's back, legs so long you'd think they would wrap around a man twice, and give herself fully . . . big, meaty cock up her pussy, tits the size of cantaloupes slapping a man's face from side to side, a finger up her cunt and up her ass . . .

"Ohhhhhh," Haley moaned softly, closing her eyes – and then suddenly snapped back to reality. She quickly looked around. Had anyone seen her? No – everyone was too busy. Getting back to business, she pulled off her gown, climbed into her next ensemble, and queued up with the other amateur models at Denholm's station, as the designer and his assistants pulled and tugged and sprayed and touched-up the women to send them out again.

"Haley!" he exclaimed when it was her turn to be prepped. "You were incredible out there!"

"Oh! Well, it was a beautiful gown . . . ." she answered, as assistants flitted around her.

"No," Denholm replied. "All the clothes are the beautiful here. You have something special. Look at you! I've never heard a crowd like that at one of these things!"

"Denholm! Thank you!" Haley was flattered to hear such words from a handsome, 26-year-old rising star. "I'm just . . . I'm no model," she said. "I'm just a wife and mom. It's you. You and these beautiful designs . . . they make a woman feel . . . oh, God, I'm so embarrassed!"

Denholm smiled – and not just a patient, polite, all-business smile. There was something knowing in his face, in his eyes, as if he'd heard women say these kinds of things before. Many, many times before. Haley felt a warm flush go through her, and knew she was turning red in front of the young man. "I love women," he said simply. "And when you love something, you treat it well, show it to its best advantage . . . and make sure everyone and everything is satisfied. Fully – deeply—satisfied . . . ."

Haley stared at him now, her mouth dry, feeling something in the words – and something more than the words. It was almost as if they were communicating telepathically. Haley smiled back at him, and licked her lips.

An hour-and-a-half later, in Denholm's well-appointed

apartment after the show, Haley was giving in to her impulses. She couldn’t believe how feverish she felt – like she was going to be sick, she was so excited. She’d never done anything like this – had never dreamed she even could. In some small part of her mind, she knew objectively she was beautiful. But being married, and 31, and everything else – she didn’t remember the last time she felt sexy.

And judging from the look of appreciation on Denholm’s deep-set, Italian-English features, she was wasn’t just sexy – she was a sexual animal about to eat her fill . . . and from the growing bulge she witnessed in Denholm’s nether regions, her fill looked like it was going to fill her quite well.

She and Denholm collapsed into each other, pulling off each other’s clothes. She stepped back and admired his toned, tanned body, naked now except for shorts – which were filled with a grapefruit-sized bulge that made her gasp. Denholm smiled, squeezing the massive bulk with his hand. Haley smiled back, undid her bra hooks, and whisked off her bra with a flourish.

“Holy fuck!” Denholm exclaimed. For there before him stood a five-foot-ten golden goddess, with legs that went on forever, legs you could measure in yardage.

Haley was trembling. She couldn’t recall the last time she’d turned a man on so much that he was trembling and sweating – as she was herself. “Take me,” she whispered. “Take me and make love to me. Ravish my pussy. Put your face between these long legs, stick your tongue up my cunt and wiggle it.”

Moaning, Denholm submitted. Falling to his knees, he rammed his handsome face between her legs, pulling her black thong panties off to one side and burying his mouth and tongue and pouty lips inside her. Haley screamed, “Oh, my GOD!” and felt her les nearly buckle. But Denholm held onto her, held her legs in his strong hands, and worked his mouth all over her inner thighs and labia. When his tongue attacked her clit, Haley went wild.

“OH, GOD, YES! YES! YES! EAT ME!” she screamed. Denholm was making noises now, enthusiastically slurping and licking her pussy in big circles, nipping at her clit with his teeth, and rubbing up and down and in and out on her pubic bone with his snakelike tongue. Haley was delirious, ecstatic, practically collapsing from the force of this pleasure. She wanted to jump, she wanted to explode, she wanted to run like the wind with a man’s face and tongue up inside her, eating her pussy until she orgasmed.

“Oh, God! Oh, fuck! I’m gonna come,” she trembled. “Lick my pussy! Lick my pussy! Oh fuck! Right there! Oh, my poor clit! Oh, what are you doing? What are you doing? Oh, God! Oh, God! OH, GAWWWWWDDDDDD!!!!!”

Haley rode her orgasm until her legs finally gave way, and then collapsed onto the carpet. Denholm melted down into her, lovingly licking up all her sticky juices, and then stood up. His raging erection threatened to burst through his boxers. With some effort, he pulled his shorts off, and Haley screamed, “Jesus FUCK, what a cock!!! Oh, please, please, take me – oh, Denholm, fucking FUCK ME!!! Get that big dick up between my legs and tear open my slutty cunt!”

As big and powerfully erect as he was, Denholm needed no time to plunge into her fully, so wet and sloppy was Haley’s pussy. She was a flowing river, a torrent, and he was riding the wild rapids. Haley was going crazy. She spread her legs open wider, letting him in deeper and deeper. She screamed, “Oh, yes, fuck me! Fuck me harder! Harder! HARDER!!!” Tears welled in her eyes and filthy obscenities wailed out her mouth. She had never felt so sexy, so desirable, so utterly, thoroughly, whorishly fuckable. She wanted to give him everything, wanted him in her pussy, her mouth, her ass, wanted him to come all over her tits and belly and long, long legs.

“Fuck me!” she cried. “Oh, GOD, you feel so good!” Haley was humping wildly, taking his full length to the root. “Oh, cum in me! Cum in me like I’m your slutty whore! Squirt your hot cum deep inside me!!!”

Denholm was fucking like an animal, clawing at her, as she raked his broad back and howled. “Oh, God, you’re going to make me cum!” she screamed. “Give it to me! Deeper! God, your thick dick’s rubbing my clit ... OH! oh fuck oh fuck oh fuck it’s happening fuck, fuck, fuck, going to cum, going to cum, going to .. AGGHHHHHH!!!!! FUCK! FUCK! FUHHHHHHHHHKKKKK....!! I’M FUCKING CUMMING”

Haley felt her girl-cum splashing out of her as Denholm blasted is bull-cock into her until the long-legged blond was a helpless rag doll broken under his monstrous thrusts. Then Denholm growled, “I’m cumming! I’m going to blast! OHHH-HHHH, FUCK!!!!”

And when Haley left later, she even got to keep the designer gowns. ◆

The 10 Leggiest Women of All Time

By J. J. Hunsecker

Like ZZ Top sang, she's got legs . . . and knows how to use 'em. So give it up for these perfect-10 women with some of the most famous long-stemmed limbs in history — legs so famously sexy that even after decades, we're still talking about them. In no specific order, let us present

Betty Grable

The 1940s pin-up queen – whose famous rear-view, cocked-hip portrait, her smiling face peeking over one shoulder, graced countless American G.I.'s barracks during World War II – was an actress and dancer in such Hollywood classics as *The Gay Divorcee* (1934), *Springtime in the Rockies* (1942), *The Beautiful Blonde from Bashful Bend (1949), How to Marry a Millionaire* (1953) and, of course, *Million Dollar Legs* (1939) and *Pin Up Girl* (1944). The 20th Century Fox movie studio famously insured her legs for $1,000,000. And Hugh Hefner told NPR in 2007 that Grable was his inspiration for launching Playboy magazine.

Marlene Dietrich

The legendary star of such films as *The Blue Angel* (1930), *Blonde Venus* (1932), *Desire* (1936) and *Destry Rides Again* (1939) had legs so legendary she could insist that they weren't. "Darling," she said, "the legs aren't so beautiful, I just know what to do with them." And not just in movies and iconic photographs that show them stretched out bare – one famous photo of her in trousers has made generation of men reach inside their own.

Cyd Charisse

When she passed away in June 2008, Hollywood lost its greatest professional ballerina turned movie dancer. Her on-screen pairings with Fred Astaire and Gene Kelly in such films as *Singin' in the Rain* (1952), *The Band Wagon* (1953), *Silk Stockings* (1957) and *It's Always Fair Weather* (1956) prompted Astaire to call her legs "beautiful dynamite" and to write, "That Cyd! When you've danced with her, you stay danced with!" Yeah ... "danced."

Pat Kirkwood

Little-known in America, the British Betty Grable was a major U.K. musical star of the 1940s and '50s, whose legs in the motherland were famously dubbed by theater critic Kenneth Tynan as "the eighth wonder of the world."

Tamara Dobson

At 6 feet 2 inches tall, the *Vogue* model and blaxploitation star of *Cleopatra Jones* (1973) had so much leg, you could fit another woman inside. What Pam Grier is to tits, Tamara Dobson is to legs.

Mary Hart

The 1970 Miss South Dakota and an *Entertainment Tonight* anchor since 1982, Hart is a modern-day Betty Grable in that her manager, Jay Bernstein, had her legs insured for $1 million. So famous are her gams that in 1987, Hanes signed her to a big-bucks pantyhose endorsement contract.

Julie Newmar

No one's ever filled a catsuit like the tallest and leggiest Catwoman of all the Batman TV shows and movies. And she's not just a pretty face and stupendously endless legs – Newmar even holds patents for "Pantyhose with shaping band for derriere relief" that she marketed under the brand "Nudemar" in the 1970s and 1980s. And just how did she market it? By posing nearly nude in *People* magazine in 1977 – her back to the camera, wearing nothing but high heels and pantyhose . . . size extra-leggy.

Tina Turner

Kind of a given. The legendary soul singer's mighty (and mighty fine) legs have been dancing up a storm in men's pants for decades.

Ha Ji-won

We're nothing if not international here at *Leggy Wives*, and in this era of YouTube we'd be remiss not to note the Korean actress known to billions of Asians for her incredible and incredibly flexible legs. The things she does with them in a commercial for the Mexicana Chicken fast-food chain, at www.youtube.com/watch?v=ZLK7koHgA-8, is practically obscene.

Gisele Bundchen, et al.

We could have chosen others, but the blond, Brazilian Bundchen is as suitable as any and better than most to represent today's superhuman supermodels, who seem almost genetically enhanced.

Who will add to the annals of ankles, the canon of calves, the ledgers of legs in the future? Whoever those long-stemmed lovelies will be, you can be sure of one thing: We leg men will be there watching. Also drooling. But definitely watching.

WAR IS HELL... ACIOUS!

BY ROLANDA NATHAN

Eat your heart out, Christiane Amanpour! I may not be as famous as you, but I had a combat experience as a TV reporter that gives new meaning to the term *"hot spot."* It all started back in the U.S., at a mid-sized city's network affiliate (which, as they say in my business, "requested anonymity"). I was a rising star — a black woman in an otherwise lily-white station, who somehow connected with the viewers. I think they respected my insightful reporting, smooth professionalism, and a pair of basketball gazongas that no matter how modestly I dressed always looked like they were about to burst out like bombshells through the TV screen and land in your lap. And short of pasting over my nipples with electrical tape, I also couldn't hide the fact that when they got aroused,

they were over two inches long and big around as my thumb. Since I'm the kind of news wonk who gets excited by talk of how big the federal deficit is growing, we regularly get more male viewers aged 14-50 than any other station for 10 states around. Which my coincidence is how big my breasts are.

Because a lot of my city's hometown boys are over fighting in Iraq, my station runs many features about our soldiers overseas. Now, if you think I get going easily with talk about how long the recession may last and how hard those metal baseball bats can be, then you'd better believe that seeing those big, strong boys in uniform hefting powerful, hair-trigger weapons of explosive force makes me want to slip into my private dressing room, lock the door and imagine Corporal Hardcock taking me and taking me and taking me all the way to Afghanistan and back! (OK, I confess — I actually did diddle myself that way once, but only since I was filling in on a Saturday newscast when the station was almost empty, and needed some "filling in" myself).

I don't apologize for being a healthy, highly sexed black woman. Being smart, wearing glasses, dressing appropriately for a professional environment — none of these things mean a woman can't be a howitzer in bed. ("Howitzer: a type of artillery characterized by a relatively short barrel and explosive charges... just like my clitty"). So, when the station manager suggested sending me to the war zone as a Sweeps Week stunt, I jumped at the chance to meet our hometown heroes up close and very, very personal. *Mmmm... there's nothing like a man in uniform ... except a man out of uniform!*

So after getting all my credentials and making arrangements, I made a stopover with two other journalists in Kuwait and checked in with them at the Hilton. The next evening around 10 p.m., we were picked up by a U.S. Army captain (and I wish I meant "picked up" in the other sense — I don't usually go for the 40-ish white-crewcut type, but this guy in his camo fatigues was so toned and in shape, and stood so ramrod straight, that I mentally licked my lips wonderfully if ALL of him were so toned, in shape and ramrod straight). We rode with him from the hotel to an Air Force base, arriving just after midnight.

I won't bore you with our C-130 Hercules transport flight to Baghdad, and our ground transportation in a shuttle mini-bus and then a Rhino Runner armored bus that got us to the city's International Zone — what used to be called The Green Zone. But "green" in this parlance means safe, and this place gets infiltrated and bombed around the perimeters sometimes. And I know it's sick, or maybe just a fetish, but the thought of the danger — the thought that at any moment anything could happen — made me feel more alive and, yes, horny, than I had felt in months. God help me for thinking this way, but I was a ticking time-bomb of sex, with an explosive incendiary device between my legs, ready to blow away a half-dozen big, virile men at once.

I wanted to be out in the field, so instead of a hotel room, I took up an offer from a Combined Press Information Center officer, and with a couple other journalists got a cot in the CPIC office. The three other reporters there were all men, so I got the press-liaison officer's small private office.

It took a couple of days for my freelance videographer and me to hook up with some soldiers. I mean, get embedded with a unit. I mean — geez, everything about the military sounds like sex, doesn't it? I took that time to get the know the lay of the land — I'm sorry, alright?! How else was I supposed to phrase it?! — and made friends with Lt. Davenport, our liaison. Or, rather, my liaison, since he took an inordinate amount of interest in my, um, body armor, shall we say? Using the rationale — or, let's face it, the excuse — that I was a woman and so needed special treatment, Lt. Davenport soon became my "lay is on."

Oh, believe me, I wasn't complaining! Dark skin, black hair, built like a battleship — he was the hottest-looking public-relations guy in, oh, maybe the whole world? Oh, hell.... let's just skip ahead to the night the bad guys started shelling the city just outside the Zone, and the two of us found ourselves "huddled for protection" in his office, with the door conveniently locked. I said before how danger and the possibility of getting killed made me feel so fucking alive. Well, here I was, bombs exploding outside, my brown pussy exploding inside, and a muscular hunk of grade-A U.S. soldier holding me tight on an air mattress he'd brought over just for me. I'm sure he could tell from the way I was trembling and gazing around with wide eyes that it wasn't just the booming blasts and rockets' red glare that was getting my adrenaline up. Pretty soon we were face to face and then lip to lip and then I moaned, *"Oh, you big, strong soldier..."*

That did it. My cunt was soaking wet and I was about to scream. I pushed him off me, and tore open my blouse with so much She-Hulk strength a stream of buttons flew in every direction. Lt. Davenport wasted no time doing likewise, tearing off his shirt to reveal a tank top so tight against his massive pecs and washboard abs, it was like he was wearing a tank top over a tank!!! I was staring in absolute awe. Then he peeled his shirt off, and all I could muster was a whispered "oh... my... *gawwwwwd.*" His arms and upper body looked like he could tear a car apart.

I PUSHED HIM OFF ME, AND TORE OPEN MY BLOUSE WITH SO MUCH SHE-HULK STRENGTH. A STREAM OF BUTTONS FLEW IN EVERY DIRECTION. "YOUR COCK EXPLODING IN MY MOUTH HAS MADE MY PUSSY SO WET I AM DRIPPING. FEEL ME."

Gathering myself momentarily, I undid my bra and then the rest of my clothes, then stood proudly, showing off a body that had made men weep. Lt. Davenport just smiled a little and dropped his pants — and my eyes shot open wide seeing briefs that could barely contain the bulge straining within! I gasped and my legs went weak at the softball-sized bulge, trembling and growing larger. My vagina was dripping as I slowly descended to my knees. Then he dropped his shorts, exposing a ten-inch cock still *LIMP* between his legs! I practically came! *"Oh my God!"* I exclaimed. Lt. Davenport stood with his hands on his hips, his huge cock hanging like a fire hose. I stroked its thick, monstrous size and whispered in his ear, *"Your cock is magnificent!!"* and moaning as I rubbed the gigantic head against my lips. With a grunt of *"Ahhhhgggghhh,"* I pushed my head forward, desperate to engulf as much of him as I could within my thick, pillowy lips and sensuous mouth.

I have deep-throated many men in my time, but this... *THIS*! This cock was too much for *ANY* woman to deep-throat! As I sucked and sucked, moaning in delight, feeling him throb like he was about to burst, I savagely sucked and licked and slobbered all over it — until a blast with more power than I'd ever felt from a man exploded out of him so hard against the back of my throat, it actually threw my head off of him! His cock was free in the air, spurting blasts of white cum all over me!!! I swallowed slowly, feeling that liquid heat flowing down my throat. I slid two fingers through the cum that had blasted all over my breast, collecting it and then licking my finger as I stared into his eyes. We melted onto the bed. He leaned over me, and I guided his big, strong hand to my pussy. *"Can you feel how wet I am?* Your cock exploding in my mouth has made my pussy so wet I am dripping. Feel me," I told him, pushing his fingers deep inside me until I gasped. Simultaneously, he put his mouth on my right breast, licking and sucking his way to the nipple until I was so hot I was humping his hand. *"Oh, God, fuck me!"* I pleaded. Lt. Davenport eased himself in and I felt a convulsion spear through my body. He felt as big around as a cucumber! I can't believe it, I thought, practically fainting in joy. He gently massaged my cunt with it. I moaned as he slid the big, wide knob up and down my clit. Every time his massive size touched me, it took my breath away. *"Oh, fuck me, fuck me, fuck me!"* I exclaimed.

My pussy stretched as more and more of his cock slid into my steaming cunt, and a moment later I screamed as I felt myself filled so deep I felt about to burst! *"Yes! Yes! Yes!"* I screamed, mashing my massive breasts together! *"I'm going to cum! I'M GOING TO CUM! OHHHH, FUUUUUUUCCCCKK-KKKKK!!!! Unnnngh!!! Unnnnngh!!! Unnnngh!!!"* I screamed as he drove me to one orgasm, then controlled himself and kept pounding me without coming, until one minute later I had a *SECOND* orgasm! And then, *OHMIGOD*, fucking unbelievable! He kept on going and gave me a *THIRD!!! "Stop!"* I begged. *"Oh, please, oh fuck, oh please, stop."* Nothing like this had ever happened before. I had never, ever, ever in my life had a man fuck me so good and hard, fuck me to multiple orgasm after orgasm. And now it was his turn. The look on his face almost scared me. "You want me?" he demanded, pumping away, the sweat on his biceps making me want to scream. "You want this fucking cannon to explode in you?"

"OH, GOD, YES! YES! YES! CUM IN ME! FLOOD MY PUSSY! OH, FUCKING GOD, CUM SO HARD, CUM SO HARRRRDDDD!!!" His muscular, U.S. Army body split me open with cock and muscle. I was fucking the fucking Terminator! *"Oh yeah! Oh yeah!!"* I cheered. *"Fuck my brains out!! Cum in me! Cum in me! Make me cummmmmmm!!"* My muscular lieutenant grunted as his cock erupted deep inside me. I could feel his hot jism pumping with the force of a rocket. My God, I thought, what a man. What a cock! *"Oh, fuck, I'm cumming againnnnnnnn!!!!"* Afterward I just lay there, my chest heaving and my heart beating like a drum. Lt. Davenport was beside me, sleeping. Wet and sweaty, I worked some fingers into my pussy, then licked the cum and juice off of them. In the day, I would do my job as always, and report the truth as I could find it. But at night? Oh, I had some ideas — all off the record of course. Unless you'd like to hear more....

SUPREMACY

I'm a proud, black superheroine with the power to bring men to their knees!

My parents weren't comics geeks. They just gave me a name to inspire intellectual strength and cultural achievement. It's just coincidence I've also got a pussy as hot as the sun.

With great booty cums great responsibility.

Men melt when I gaze at them and lick my lips ... then get rocketship hard when I show them the source of my superpower. And then, they're begging to lick *THESE* lips!

Like the Shadow, I have the power to cloud men's minds!

So c'mon baby — fire your rocket my way. I've got a super-weakness for big, roaring cylinders of steel exploding with enough force to start an earthquake!

Mmmm, that was fun, baby.
